

KeyedIn Solutions Opens Office in Orange County, California

Rapidly Expanding SaaS Company Now Has Presence in Five U.S. Cities, Three Continents

MINNEAPOLIS, Minn. — June 7, 2012 — KeyedIn Solutions, a global SaaS (Software as a Service) solutions provider and consultancy, today announced the opening of its U.S. West Coast office in Newport Beach, California. The company now has U.S. presence in Minneapolis, Minnesota, where it is headquartered; Newport Beach, California; Cleveland, Ohio; Parsippany, New Jersey; and Atlanta, Georgia. KeyedIn Solutions also has two offices in the United Kingdom and one in Melbourne, Australia.

During today's open house, KeyedIn Solutions CEO Lauri Klaus will address investors, partners, clients and media in person and [via webinar](#) at 4:00 p.m. (PDT). Klaus will outline the company's formation and its plans for becoming a global SaaS powerhouse via strategic acquisition, partner networks and integration of complementary business technologies.

Since forming in October 2011, KeyedIn Solutions has acquired UK-based Atlantic Global and acquired a majority interest in, and management of Datacom International. Currently at more than 70 employees, the company plans to keep pace with its early growth and expects to add as many as 40 new staff members to the Newport Beach office by the end of the year. The office opening coincides with the introduction of the company's new SaaS-based project management software, *KeyedInProjects*, to the U.S. market.

"The opening of our Orange County office is a particularly satisfying chapter in our fast-paced 'zero to global' story," said Lauri Klaus, CEO of KeyedIn Solutions. "We set out to aggressively transform traditional enterprise software systems into more agile, SaaS-based integrated business applications for specialized vertical markets. Now, with a coast-to-coast U.S. presence, we're even closer to the markets we serve, and there are more chapters of our story on the way."

About KeyedIn Solutions:

KeyedIn[®] Solutions was founded by veteran ERP industry executives to transform the traditional enterprise software systems market through a suite of integrated business applications delivered on a true SaaS platform and a consulting organization rich in business, industry and IT expertise. KeyedIn *SaaS Solutions* replace rigid, on-premise enterprise systems in specialized vertical markets with more agile, feature-rich and cost-effective .NET applications that scale to any environment. The KeyedIn *Consulting Group* provides consulting services around existing or planned systems, helping organizations achieve a strong return on their IT investment and realize a true business advantage in their market. Whether engaged independently, or in conjunction with the company's leading-edge technology platform, the KeyedIn *Consulting Group* delivers results for a wide range of industries worldwide.

Organizations look to KeyedIn Solutions for innovative, integrated business applications and results-driven consulting services delivered with integrity and a laser focus on their needs. You should too. Learn more at www.keyedin.com.
